PART-II MOON ALIEN

Nichibutsu

DESTROY THE MOON ALIENS, THE DEVILS OF OUTER SPACE!

An insidious attack by the Moon Aliens, hurtling through outer space and unleashing a deadly barrage of missles! You can experience the thrill of swiftly dodging bombs to intercept the aliens. Even experts will flinch at the fierce and varied attack of the aliens, as their numbers shrink until the battle is won or lost.

PART-II MOON ALIEN

PLAYING RULES

- Play with one or two players.
- Use one coin for a single's game, and two coins for a double's game.
- Put in the coins and the game will shart when you press the button for "single" or "double".
- Defending yourself from the ALIENS attack, shoot down the ALIENS with the NOSTROMO moved by the control lever.
- The points are different by the ALIENS colors, and the points of the ALIENS in the fleet and the points of the attacking ALIENS are different.

★ **Score**
The first player's score is recordad at the top left of tha screen, with the second player's tally at the top right. Tha maximum attainable score is 999,990

★ **High Score**
The highest score thus fer attained is proudly displayed at tha top center of the screen, a goal for every successive player to strive for

★ **Nostromo Spacecraft Standing By**
Nostromo Spacecraft standing by for launching are displayed at the lower left of tha screen. One additional Nostromo is added whenever a predetermined score is attained

★ **Credits**
Coins can be deposited in bulk, up to a total of nine games. The number of games/credits remaining is indicated at the bottom left of the screen.

★ **Alien Ships**
Various scores are registared, depending on the circumstances under which the alien ships are shot down in battle

★ **Aliens**
Scores also differ according to the kind of ship shot down — typas of alien spacecraft are distinguished by color.

★ **Assaulting Alien**
Alien ships drop out of fleet formation to launch their missles.

★ **Nostromo Spececraft**
The Nostromo Spececraft, launched by the Earth Defense Forces, maneuver through the enemy bombardment to destroy alien ships.

★ **Energy Gauge**
Running out all your energy, your NOSTROMO is desproyed.

★ **Number of Clears**
The number of clears appears at the bottom right of the screen, indicating clear times. A large screen is displayed for the tenth screen.
